ACCUSATION

1	1. CMR Mortgage Fund III LLC ("CMR Fund III") is a California limited liability	
2	company located at 62 First Street, 4 th Floor, San Francisco, California 94105. California Mortgage	
3	and Realty Inc. ("CMR Inc.") is a Delaware corporation, incorporated in 1995, and located at 62	
4	First Street, 4 th Floor, San Francisco, California 94105, and is the manager of CMR Mortgage Fund	
5	LLC, ("CMR Fund I"), CMR Mortgage Fund II LLC ("CMR Fund II") and CMR Fund III. The	
6	principals of CMR Inc. are the same principals who organized and operated all three funds, and the	
7	business plans of all three funds are substantially the same.	
8	2. On January 3, 2008, the Commissioner issued a permit under Corporations Code	
9	section 25113 to CMR Fund III to offer and sell securities for the purpose of investing in loans	
10	secured by deeds of trust secured primarily by California real estate, including commercial and	
11	residential properties and unimproved land. CMR Fund III has also been issued a permit in 2007.	

3. The permit was issued under a limited offering qualification authorizing the offer and sale of Respondent's securities only to:

CMR Fund III is a licensed California Finance Lender and broker, License No. 506-3136. The

permit to sell securities expires on January 3, 2009.

- a) Investors with (i) a net worth (exclusive of home, furnishings and automobiles) of at least \$250,000 and annual gross income of at least \$65,000; or (ii) a net worth (exclusive of home furnishings and automobiles) of at least \$500,000; and
- b) The amount of each investor's investment must not exceed ten percent (10%) of such investor's net worth (exclusive of home, furnishings, and automobiles).
- 4. In November 2008, the Department determined that Respondent CMR Fund III had violated the terms of the permit in the following manner:
- a) In the Offering Circular submitted to the Department of Corporations as part of the permit process the Respondents undertook to provide within six months of the close of the year audited financial statements, and a report summarizing the Fund's performance for the year covered by the report. The Manager and CMR Fund III have failed to provide such audited financials or a summary report as of November 21, 2008.

- b) In the Offering Circular submitted to the Department as part of the permit application process, the Respondents undertook to provide "promptly, after the end of each calendar month" an amount of cash equal to the Member's proportionate share of the Fund's accrued net income during such month, subject to adjustments for bad debt reserves or deductions as the Manager would deem appropriate. In effect the Manger undertook to provide prompt and accurate statements of account to each Member electing to receive cash distributions on a monthly basis. The Manager and Fund III have failed to provide such monthly statements for six consecutive months in 2008, June through December.
- c) In the Offering Circular it was stated that "Upon not less than 60 days written notice to the Manager, Members may withdraw all or part of their capital accounts from the Fund, subject to the limitations discussed below." The Offering Circular went on to note that the Fund does not intend to allow withdrawal or redemptions of more than 10% of the Fund's aggregate outstanding capital during any 12 month period. What the Offering Circular omitted to inform investors at the time the permit was issued, was that CMR Fund III had already received redemption requests in the second half of 2007 that exceeded 10% of the aggregate outstanding capital. New investors were not informed that there was a substantial probability they would not be able to successfully redeem their investment in 2008 should they opt to do so. This was an omission of a material fact. A total of 66 new investors subscribed to the CMN Fund III offering between January and April of 2008. In April of 2008 CMR Fund III ceased accepting new investors.
- 5. Respondents also violated the terms of a prior permit issued to CMR Fund I which expired on January 16, 2004. Respondents sold interests in the CMR Fund I to an investor who did not qualify or meet the suitability standards required by the Department of Corporations. These standards were similar suitability standards as issued for 2008 permit issued to CMR Fund III.
- 6. The Offering Circular for CMR Fund III clearly stated a geographical limitation on the utilization of proceeds of the subscription. It stated, "Less than 20% of the proceeds of this offering will be used to invest in loans secured by properties outside California." The Offering Circular for CMR Fund III further stated "No fund loan (or Fund interest in a loan) will exceed the greater of (a) \$1,000,000 or (b) 25% of total Fund capital at the time of the loan." This provision

was the exact same provision that was included in the Offering Circular for CMR Fund I. However, in March of 2007 Fund I participated in an investment outside of California and which comprised approximately 40% of Fund I capital. The Offering Circular for Fund III omitted to inform Fund III investors that although the exact same covenant had been provided to previous CMR Fund I investors by the manager, CMR Inc. the manager had failed to adhere to the assurances provided investors in the Offering Circular of CMR Fund I as to geographical limitations and loan concentrations.

7. Corporations Code section 25140 (a)(1) provides in pertinent part as follows:

The commissioner...may suspend or revoke any permit issued under Section 25113 or 25122 if he or she finds (A) that the order is in the public interest and (B) that the proposed plan of business of the issuer or the proposed issuance or sale of securities is not fair, just, or equitable, or that the issuer does not intend to transact its business fairly and honestly, or that the securities proposed to be issued or the method to be used in issuing them will tend to work a fraud upon the purchaser thereof.

8. Corporations Code section 25143 (a) provides in pertinent part as follows:

The commissioner may by order summarily postpone or suspend the effectiveness of any qualification pending final determination of any proceeding under this chapter. Upon the entry of the order, the commissioner shall promptly notify each person specified in subdivision (b) of this section that it has been entered and of the reasons therefore and that upon receipt of a written request the matter will be set down for hearing to commence within 15 business days after such receipt unless the applicant consent to a later date. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice and hearing in accordance with subdivision (b) of this section, may modify or vacate the order or extend it until final determination.

9. The Commissioner finds that summarily suspending the permit issued to Respondent is in the public interest and Respondent's proposed plan of business and proposed issuance of securities is no longer fair, just and equitable, or that the issuer did not intend to transact its business fairly and honestly, or that the securities proposed to be issued or the method to be used in issuing them would tend to work a fraud upon the purchaser in violation of Corporation Code section 25140(a)(1) because the Respondent's Offering Circular contains material misrepresentations and omissions about the investment and the Respondent is not conducting business as disclosed in the Offering Circular.
